

1/11/2007CHMM Board Meeting Notes

We met at Karol Soles office in the evening of 1/11/2007. In attendance were Mark Kamiya, Bill Gamlin, Fred Moskowitz, Ed Glod, Rod Stipe Steve Sawyer Karol Sole and Bob Wachsmuth.

2007 – overview course will be in November or December 2007. We are looking at doing a special overview course for the Cook County LEPC in the Spring of 2007. John and Steve will be doing a presentation in the March 21, 2007 LEPC meeting to introduce them to the CHMM credential. The CHMM presentation will probably be 15-20 minutes.

In 2007 the CHMM test will be available on-line. More info will follow.

The board approved a compensation for the people who have been instructors for the CHMM review course over the years. The compensation will be to pay for their dues for the year (\$85) if they have done instructions for at least three years. If you have just started being an instructor it would be three years continuous service before you are compensated.

February meeting – FIRE rehab – Certs or backup OSHA meeting in Arlington Heights.

Ed Glod – He did a presentation of the new website to the board. It would be a set-up fee of \$1200 to get it started. It would then be split up in teams to keep it up. WE will be looking at a mock website to see what it would look like.

Future meetings possibilities-

Feb – OSHA

April – Fire Rehab – CERTS

June – Plant tour Grayslake MRF

August - ?

October - ?

December Joint meeting

Our next board call will be 2/6/2007.

Bob Wachsmuth
Chapter Secretary
